

PORTSMOUTH AND DISTRICT MAGIC CIRCLE

Dear Brother Wizard

Once again we have made arrangements for what has become an Annual Jumbo Sale and Exchange for Magic Props, affording you the opportunity of both disposing of unwanted tricks and the purchasing of items often long sought for. The Day is Sunday 2nd. November 75 - 11 a.m opening.

You buy and sell in a sort of common market - bring your own unwanted props and sell them either from a stall or later in the day by auction.

Stalls are available for both societies and individuals on application to the registration officer. We ask no commission for items sold neither do we accept any responsibility for the condition of the props sold.

As usual there will be excellent canteen facilities at reasonable prices with light meals and snacks served mostly throughout the day.

Lewis Ganson has made an excellent colour film of his trip to the German Magic Circle Convention at Baden Baden earlier this year and has agreed to show it during the afternoon. Impromptu close - up sessions are always in evidence in the well appointed lounge.

The day will round off with an evening show starting at 6.30 pm and ringing down about 9 pm, helping those who have a long journey ahead to reach home in reasonable time.

Naturally there are some expense involved in the hire of the hall, printing etc and we feel you will agree the charge of 60p a moderate registration fee which of course includes the evening show. Additional show tickets are available at 25p each.

Regulars will remember the new hall :- The Portsmouth Community Centre, Mallins Road, Portsmouth. If you are a new comer please mention this when sending in your registration form and details of location will be provided.

Complete the form below NOW and return it to us without delay - dont pass this opportunity of a day with other magic nuts and the chance of coming away with some real bargains.

---

To. Registration Officer - James Breedon - 26, St. Peters Grove  
Southsea. Hants.
